COLLIERVILLE, TN 38017

PRECAUTIONARY STATEMENT

BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.

Formulated product causes eye irritation. Do not get in eyes, on skin, or on clothing. Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing vapors or spray mist. In addition, follow precautionary statements on the accompanying pesticide(s) label(s).

FIRST AID

IF IN EYES:

- Immediately flush eyes with clean water for at least 15 minutes.
- See a physician.

IF SWALLOWED:

- Give a large amount of water to drink, make person vomit immediately, call a physician.
- Do not induce vomiting or give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING:

- Remove contaminated clothing and wash skin thoroughly with soap and water.
- Call a physician if irritation persists.

If contact is made with the spray solution containing pesticide(s), follow the "Statement of Practical Treatment/First Aid" on the pesticide(s) label(s).

STORAGE AND DISPOSAL

Store in original container only. Keep container tightly closed, do not allow water to be introduced into the contents of this container. Do not contaminate water sources by runoff from cleaning of equipment, disposal of equipment washwaters or spray waste. Do not store near heat or open flame. Do not store with oxidizing agents.

CONTAINER DISPOSAL: Triple rinse (or equivalent) and add rinsate to spray tank, then offer for recycling or reconditioning, or puncture and dispose of according to state and local authorities. If burned, stay out of smoke. For help in chemical emergencies involving spill, leak, fire or exposure call toll free 1-800-424-9300.

GENERAL INFORMATION

Ad-Spray™ 90 incorporates the properties of a nonionic wetter/spreader surfactant when used in pesticidal spray mixtures. **Ad-Spray™ 90** is designed to quickly wet and spread a more uniform spray deposit over leaf and stem surfaces. **Ad-Spray™ 90** can positively affect pesticide spray application and pesticide efficacy. **Ad-Spray™ 90** is recommended for use with those pesticides whose label recommends a wetter/spreader type adjuvant or a nonionic surfactant.

DIRECTIONS FOR USE

The addition of an adjuvant to some pesticides or pesticide tank mix combinations may cause phytotoxicity to the foliage and/or fruit of susceptible crops. Prior to the addition of **Ad-Spray™ 90** to spray mixes, the user or application advisor must have experience with the combination or must have conducted a phytotoxicity trial or must take the recommendations from the labels of the products to be tank mixed.

For most applications, use enough **Ad-Spray™ 90** to allow for uniform wetting and deposition of the spray onto leaf surfaces without undue runoff.

***General Use:** Use 1 - 4 pints per 100 gallons of spray.

Disclaimer: Always refer to the label on the product before using Helena or any other product.

***Note:** The above use recommendations are considered to be adequate for most uses. Some pesticides, however, may require higher or lower rates for optimum effect. Follow the pesticide label directions when this occurs.

Ad-Spray™ 90 lowers the surface tension of water and improves the wetting and spreading action of water used in mechanical cotton pickers to wet the picking spindles.

Cotton Pickers: Use 4 oz. of **Ad-Spray™ 90** per 25 gallons of water in picker tank.

Gins: Use 1 pint of **Ad-Spray™ 90** in 100 gallons of water for restoring moisture to cotton. **Note:** For both of the above applications, add **Ad-Spray™ 90** to the mixing tank when it is about one half full. Continue filling and mix thoroughly to ensure uniform distribution.

MIXING

Prior to any pesticide application all spray mixing and application equipment must be cleaned. Carefully observe all cleaning directions on the pesticide label.

Fill spray tank one-half full with water and begin agitation. Add pesticides as directed by labeling or in the following sequence:

1. Dry flowables or water dispersible granules.
2. Wettable powders
3. Flowables
4. Solutions
5. Emulsifiable concentrates

and continue filling. Add **Ad-Spray™ 90** last and continue agitation.

CONDITIONS OF SALE - LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale - Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

The directions on this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
